

DECKER LIBRARY

ENVIRONMENTAL GRAPHICS

PROPOSAL

Install large scale graphics at key information locations

Entrance graphics will highlight:

Decker Library, Circulation Desk and Help Desk

These graphics will interact with the planes of the library, utilizing the unique ranges, surfaces and features of the space

BENIFITS

Create an inviting atmosphere

Bridge disparate visual elements

Create a sense of unity

Invite curiosity

The image features a stylized graphic of a yellow wall with a white desk and a person silhouette. The wall is composed of several horizontal yellow rectangular blocks of varying heights. A white desk is positioned in front of the wall, and a grey silhouette of a person stands to the right of the desk. The background is white with horizontal grey lines. The text 'RESEARCH HELP' is prominently displayed on the yellow wall, with a thick black diagonal line to its left. To the right of the main text, there is a smaller block of text.

RESEARCH HELP

GET HELP FINDING SOURCES,
REFINING A TOPIC,
DEVELOPING A RESEARCH
STRATEGY
